DECORACIÓN

At **Carmela Martí** we are experts in textile interior design for communities and nursing homes.

We offer an advice and execution service for dressing all kinds of establishments and creating environments with personality. We want to provide the warmth and comfort that are characteristic of the textile adapted to the needs of each project, providing a comprehensive service from design to installation.

Services

Design and trends

We work to enhance the personality and uniqueness of each space through the textures, colours and sensations the textile offers. For this we cover approach project in a fully bespoke manner, offering new designs and products.

Advice

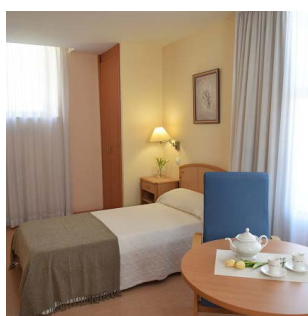

Any project starts by understanding the client's needs, in order to offer effective and long-lasting solutions. We work exclusively with hospitality textiles capable of withstanding the intensive use to which they are subjected.

Execution

We accompany the client from the first steps of the project, by taking measurements, until the installation. We adapt to the times of each project, offering flexibility and a rapid response capacity.

Maintenance

Our work does not end at the completion of the project: we are always available to make any adjustments to the installation or to provide replacements. We become a strategic partner for our clients which they know they can trust.
